

SAFEGUARDING POLICY

Statement on the Safeguarding of Children, Young People and Vulnerable Adults

Young & Talented (Y&T) believe that every child, young person and vulnerable adult has the right to be safe and is committed to safeguarding and promoting the welfare of every child, young person and vulnerable adult engaged in its projects. All staff and tutors working on behalf of Young & Talented are required to accept this responsibility and are committed to practices that protect children, young people and vulnerable adults.

Young & Talented will endeavour to safeguard children, young people and vulnerable adults by:

- adhering to child protection procedures developed by the awarding organisation in accordance with current regulatory requirements.
- following carefully best practice procedures for recruitment and selection of staff, and associates.
- raising awareness of all staff whilst also providing effective management for staff and associates through support and training.
- reporting any concerns to the appropriate authorities.

SAFEGUARDING POLICY FOR TUTORS, ASSISTANTS AND VOLUNTEERS

Young & Talented are fully committed to safeguarding the well-being of its participants. Tutors, Assistants and Volunteers should be fully aware of the organisation's Child Safety guidelines. They should also show respect and understanding for their own rights, safety and welfare and conduct themselves in a way that reflects the principles of Young & Talented. The process of implementing the policy is the responsibility of the Artistic Director.

All staff and young people are provided with a copy of the Young & Talented's Child Protection Policy statement.

OBJECTIVES

In order to achieve the principles of the Policy Statement Young & Talented will:

1. Create an environment where young people feel secure, have their viewpoints valued and are encouraged to talk and are listened to.
2. Continue to develop awareness in all tutors, assistants and volunteers of the need for Child Protection and their responsibilities in identifying abuse, with particular care being taken for young people with disabilities.
3. Ensure that all staff are aware of the referral procedures at Young & Talented.
4. Ensure that outside agencies are involved as appropriate.

5. Provide information for parents/carers outlining procedures laid down within this and other related Young & Talented policies.
6. Ensure young people know there are adults at Young & Talented whom they can approach if they are worried.

BEHAVIOUR STATEMENT

ALWAYS:

- Ensure you keep in mind that 'it can always happen here'.
- Treat others as you would expect them to treat you.
- Provide an example you wish others to follow.
- Ensure that another adult is present when you are in the company of young people (ideally mixed genders) including situations when a young person is waiting to be collected.
- Respect a person's right to privacy.
- Encourage young people and adults to feel comfortable and caring enough to point out attitudes and behaviour they do not like.
- Remember someone might misinterpret your actions and your comments, no matter how well intentioned.
- Recognise that caution is required, particularly in sensitive moments, such as when dealing with bullying, bereavement, grief or abuse.
- Be aware of the possible implications of physical contact with young people.

NEVER:

- Show favouritism to any individual.
- Make suggestive remarks or gestures.
- Do things of a personal nature for a child that they could do for themselves.
- Allow young people to use inappropriate language unchallenged (i.e. swearing, racial/sexual taunts).
- Permit abusive youth peer activities (e.g. bullying, ridiculing or initiation ceremonies).
- Jump to conclusions.
- Allow yourself to be drawn into any inappropriate attention seeking behaviour by young people (e.g. tantrums, crushes).
- Exaggerate or trivialise child abuse issues.
- Rely upon just your good name to protect you.
- Believe "it could never happen to me", both dealing with abuse or being accused of committing abuse.

If one-to-one contact is unavoidable

- Make sure it is for as short a time as possible.
- Ensure you remain accessible to others.
- Tell someone where you are going, what you are doing and why.
- Try to move with the young person to areas where there are more people.
- Obtain permission from the young person before any physical contact is made, for instance if you need to administer first aid.

- Try to avoid unnecessary physical contact especially if it may be misconstrued by the child or other people.
- Avoid where possible giving young people a lift alone, however short the journey. When this is unavoidable, it is advisable to get consent from the young person's parents or guardian. You must also ensure the young person sits in the back of the car. Tutors, assistants and volunteers should also take insurance cover into account when considering giving lifts to young people, as Young & Talented's insurance does not cover this.

PROCEDURES:

If you suspect or are told that a young person is being abused:

- You **must** always refer to the designated persons at Young & Talented.
- Don't investigate yourself.
- Write down the details as you know them on the Child Protection report form (or the Session report – if this happened during the classes).
- Ensure that the young person is given the opportunity to talk to you, or an independent person.
- Listen to the young person without interruption, and do not ask questions about what you may suspect.
- Do not approach a suspected abuser yourself. Provide support to the young person.
- Accept at face value what the young person says.
- Do not pass judgement on what is said, but do try to alleviate any fears or guilt which the young person may have.
- Make it clear that you can offer support but that you **must** pass on the information.

Please follow the Procedures for Reporting guidelines, and utilise the contact sheet and report form provided.

If you receive an allegation of child abuse by an adult:

- Contact the Artistic Director. Any information, no matter how trivial it may appear, must be shared.
- Record the nature of the allegation in detail.
- Do not try to resolve the issue yourself – follow the Procedures for Reporting guidelines, and use the report form provided.
- Staff/Volunteers who hear an allegation of abuse against another member of the team, or indeed themselves, should report the matter immediately to the Artistic Director. If the allegation is against the Artistic Director, the Chair of the Board of Directors should be contacted.

MONITORING & RECORD KEEPING

- All incidents should, ideally, be written up within the hour. Legally they must be recorded within 24 hours.

- Written notes should be attached if made separately from the attached report sheets.
- Reports should be signed by the staff member/volunteer, with the name printed and designation.
- Reports and records should be passed to the Artistic Director who in turn will take responsibility for the safe storage and processing of this information.
- All information gathered should be treated with strict confidentiality.

Young & Talented's Child Protection and recruitment procedure

All volunteers, assistants and tutors must provide evidence of clearance by the Criminal Records Bureau at the appropriate level for the adult's involvement with Young & Talented. - Permission to contact in writing, and in person, at least one local person who has experience of their work or contact with young people who may be asked for a reference.
- An informal discussion with the applicant will also be undertaken.

Volunteers, assistants and tutors without a **Disclosure and Barring Service (DBS) Check** will not be permitted to serve unsupervised with the organisation until the process has been completed.

- Be able to keep accurate, detailed and secure written records of concerns and referrals.
- Ensure parents/carers see copies of the Child Protection Policy to alert them to the fact that Young & Talented may need to make referrals.
